Number 39

E. A. Daniels Drug Store

McALESTER, OKLA.

Some reasons why I solicit and merit your drug and drug sundries patronage

If you are sick, go see a doctor.

Hardly a day passes but that some person asks us to prescribe for some ill or ache. This includes everything from a bad conscience to a broken heart. While we are familiar with the functional performances of the medicines we sell—we are not diagnosticians.

If you have been using a certain medicine or a compound and it has helped you, and you want more, there is satisfaction in buying from us "If Daniels sells it, it's pure."

Or, if we can suggest something which we think will possibly be more effective than the article you call for—other than a physician's prescription—our experienced pharmacists will gladly mention this fact for you.

But if you feel the need for medical attention and to know what is the matter with you—see your doctor.

Then send your prescription to us to be carefully compounded by one of our registered pharmacists.

ST. JOSEPH'S SCHOOL.

The Senior Class of the fourth room delightfully entertained the Rev. Germanus Guillaume, the Sisters and members of the subjoined program:

Clarke, F. Hynal, C. LaPorte who were served by Misses Lizzie Michael, Mollie Clarke and Stella Barardo. Rev. Guillaume thanked the children very sincerely and expressed his appreciation of the efforts the children had made and the success they had achieved by entertaining their guests so royally.

The first room entertained in the afternoon and on account of their unconscious they kept their audience spell-bound.

Thus a happy day was brought to a close.

Keep Your Liver Active

You are only as active as your liver is. When the liver gets torpid or disordered there is an immediate loss of energy and buoyancy. Inactivity of the liver simply clogs the system and all the organs, especially the digestive organs are involved.

NYAL'S LIVER PILLS will correct these troubles. The special advantage of these pills is that they not only start the liver, but also keep it going. They should be used as needed until the tendency to constipation is entirely overcome. Sold by us only. Price 25c.
